MADRI Focus Areas: Regulation

DER Activity in the States

A look at the agendas of the five commissions in the MADRI states shows a remarkable number of working groups, pilots and other proceedings on issues consistent with the MADRI agenda. We will hear brief presentations from the states on these. Ensuing discussions will allow us to see where these efforts might be heading, where there are potential similarities, and how MADRI can help to foster regional consistency. Expected presentations from:

Calvin Timmerman: Maryland

Karen Moury: Pennsylvania

Janis Dillard: Delaware

Dan Cleverdon: District of Columbia

Mike Winka: New Jersey (by phone)

12:00 - 1:00..... Lunch offered by Constellation Energy
