

## AGENDA

### 1<sup>st</sup> MADRI Smart Grid Subgroup Meeting Thursday, July 2, 2009

Location: PECO Energy  
2301 Market Street  
Philadelphia, PA

Call in number: **1-800-406-9170**  
Code: **3524113284**

This is the first meeting of the MADRI Smart Grid Subgroup. This meeting will primarily be a discussion following a presentation at the outset from the Lawrence Berkeley National Laboratory Smart Grid Team. While we will have a conference bridge available, participants calling in should have an expectation that it will primarily be to listen.
