

AGENDA

21st MADRI Working Group Meeting Friday, April 16, 2010 (second revised date)

Location: Constellation Energy
750 E. Pratt Street
Baltimore, MD

Call in number: 1-866-469-3239

Dial-in Code – 13742681

Webex URL - <https://pjm.webex.com>

WebEx Password – madri0416

10:00 – 10:15

Welcome, Review of the Day, Announcements, Introductions

..... Lawrence Brenner, MD PSC, Richard Sedano, RAP
It is important that participants respect that the discussions today will avoid matters and specific proposals in cases pending before commissions.

10:15 – 11:15

MADRI Statement on Demand Response (November 2009)
PJM Demand Response Symposium III Results and Next Steps
Including a discussion on price responsive demand

11:15 – 12:00

MADRI Focus Area: AMI and Smart Grid
Smart Grid Information Clearinghouse, Manisa Pipattanasomporn, Virginia Tech

12:00 - 1:00..... Lunch (provided by Constellation Energy)

1:00 – 3:00

Smart Grid Investment and Demonstration Grants: With significant smart grid projects about to get underway, a discussion of significant and tangible regulatory challenges ahead for states, utilities and others is timely. Engagement with participants is essential, so please come with your concerns and opinions. Facilitated Discussion will address topics including:

Rate Design

Smart Grid Information Issues

3:00 Adjourn

N.B. Presentations will be available on the MADRI website www.energetics/madri. Courtesy of PJM, WebEx service will enable remote users to watch presentations in progress.
